

OVERVIEW

Adequate supporting documentation is an important component of the application process as it serves as the basis through which the District can validate your eligibility to participate in the program. This document is intended to provide you with an overview of the documentation requirements for the STAY DC program.

In addition to filling out the application questions, a complete application will require the following documents to be uploaded:

1. Proof of identity;
2. Proof of loss of income OR proof of significant cost incurred OR proof of financial hardship;
3. Proof of risk of experiencing housing instability or homelessness;
4. Proof of income for each member of the household;
5. Proof of lease or rental arrangement; and
6. Copy of most recent bill or statement, if applying for utility assistance.

Examples of acceptable forms of each document type are provided below. Where applicable, these examples have been listed in the order of preference. Further, one or more document types may be required to satisfy the eligibility check requirements.

In select instances, written attestations may be accepted in lieu of standard supporting documentation. However, do note that additional verification procedures will be needed to validate assertions made in the attestation that may require an outreach from a Program Agent and/or result in delayed processing times.

NOTE:

Documentation will be accepted in any of the following file types: doc, docx, pdf, xls, xlsx, jpg, or png. Individual file uploads will be limited to a size limit of 20MB.

If you have any questions about the documentation requirements, visit the program website at stay.dc.gov or feel welcome to call the Contact Center at **833-4-STAYDC (833-478-2932) between 7am and 7pm ET, Monday through Friday.**
